

Clinical Details for Gloves under Contract

May 2007

The Glove contracts include the following categories:

- Exam Gloves
- Surgeon Gloves

Files with information on clinical characteristics, cross references and product breadth are available in the [Supply Chain Advisor \(SCA\)](#) catalog with other contract information. These files are included in the launch announcement located in the "News" section of SCA for each contract.

Attachments can be found by:

- 1.) Searching on the contract number in SCA catalog;
- 2.) When contract is located, click on the contract number link;
- 3.) View "news" to review the files.

A listing of current contracts, suppliers and contract numbers are provided in the table below.
